

**Amendments to the Specification:**

Please replace paragraph [0033] with the following amended paragraph:

Para [0033]

5        In addition, the described LCD 40 comprises a ~~data~~ scanning line  
driving IC mounting area 50. However, it should be understood that the  
invention is not limited, and the number of scanning line driving ICs can  
be changed according to the realistic product requirements. The  
described data line driving IC mounting area 52 relative design can also  
10    be applied to the ~~data~~ scanning line driving IC mounting area 50, and the  
number and the position of the described data line driving IC mounting  
areas, scanning line driving IC mounting areas, shorting bars, bounding  
pads and test pads can be changed according to the realistic product  
requirement not limited by Fig.4 and Fig.7.
